NFPP-2U-AC/DC-1011

1.3 Description of change

Netronome is announcing the End of Sale of the aforementioned Netronome Flow Processing Platforms. This is due to multiple supplier EOL's including the Intel processors that are used in the products.

The customer is being asked to review future needs, including service, and determine if there is sufficient inventory to support that possible demand. If the customer determines that additional units are required, an order needs to be placed on Netronome so we can procure a sufficient number of the gating components.

1.4 Last Time Buy and Last Time Ship Dates

Last Time Buy orders must be placed prior to **December 19, 2018**. We apologize for the compressed schedule, but this is being driven by the component vendor.

The Last Time Ship date is **June 30, 2019**.
